1) Welcome

Dear Canoe Freestyle Athletes,
on behalf of the Austrian Canoe Federation, it is my distinct honor and privilege to extend a warm welcome to each and every one of you as you prepare to participate in the Canoe Freestyle European Championships 2024 at Muglwave in Graz, Austria.

This prestigious event marks a significant milestone in the world of canoe freestyle, and we are thrilled to have the opportunity to host it in the picturesque city of Graz. Muglwave, with its dynamic water features and constant water levels, provides the perfect stage for showcasing your incredible skills and talents.

As athletes, you are the heart and soul of this competition, and we commend your dedication, passion, and perseverance in pursuing excellence in your sport. Your presence in Graz not only elevates the level of competition but also fosters a spirit of community and friendship among participants from across Europe.

We understand that the journey to this moment has been filled with challenges and sacrifices. However, your resilience and determination inspire us all, and we are honored to host you in Graz as you compete for the title of European Champions. Throughout your time here, we are committed to ensuring your safety, comfort, and enjoyment. The Organizers team has worked tirelessly to organize a world-class event that will provide you with an unforgettable experience, both on and off the water.

We encourage you to immerse yourselves in the vibrant culture and hospitality of Graz, explore its charming streets, and savor its culinary delights. May your time here be filled with memorable moments, new friendships, and extraordinary achievements.

On behalf of the Austrian Canoe Federation, I extend my sincerest best wishes to each of you for a successful and thrilling competition. May you paddle with passion, determination, and joy, and may the spirit of sportsmanship and fair play guide you throughout your journey.

Welcome to Graz, welcome to Muglwave, and welcome to the Canoe Freestyle European Championships!

Warm regards,

Günther Briedl
President of the Austrian Canoe Federation

Welcome to the Canoe Freestyle European Championships 2024!

Graz Freestyle is back – only bigger! We're excited to welcome athletes from across Europe in Graz for an action-packed European Champs, from August 27th to 31st 2024!

We are a dedicated team of freestyle enthusiasts who have been hosting the Graz Freestyle event for over five years. Now, we are eager to take the event to the next level, committed to fill the shoes by hosting an exceptional European Championships in Freestyle Kayaking. With less than a year to prepare, we still aim to create an unforgettable experience for everyone, while putting the athletes' needs first. Competing in Graz has always been about the sport, the atmosphere and the community – and we opt to keep it that way.

Take a look through the bulletin. There's a lot of useful information about Graz, the competition venue and how things will run. Additionally, there are a ton of suggestions on how to spend your free time off the water and enjoy Graz and Austria to the fullest, including activities that involve the whole family!

This event is the place to be for all fans of canoe freestyle, where you can witness top-notch performances and fierce competition. Whether you're a competitor yourself or just love watching the sport, come join us in cheering on these talented athletes as they showcase their skills.

We are ready to be inspired, captivated, and swept away by the spirit of competition and friendship. Join us as we celebrate the thrill of the sport and cheer on the athletes pushing the boundaries of excellence.

If you need any help, please do drop us an email. As always, we are happy to help you with any questions/issues that may arise. The addresses are in the bulletin.

Christina, Philipp, Peter and Denise

5) Venue

5.1. Feature Venue and Access

The feature runs on a side channel of the Mur River and has, therefore, relatively constant water levels 24/7. Streetlights make it possible to train after sunset as well. The feature can be used every day and free of charge (exceptions below).

The channel itself can be accessed through a boat ramp and exited from an eddy 5m downstream of the feature on river left, as well as from two emergency eddies on river right after the bridge. Enter the parking lot by taking a right turn on the main road between the rocks. Paddlers are responsible for their own safety. We will not be held responsible or accept liability for any theft, damage or injury.

IMPORTANT: Please do not exit the channel on river left but only on river right after the bridge. The area on river left is private property and can lead to charges.

NOTE: The feature may not be used due to the following conditions:

- **Maintenance:** The channel is turned off by the city twice a year (March 5th-9th/ October) for a few days for maintenance. The channel may also be turned off due to heavy rainfall and floods of the main river.
- **Official Team Trainings:** The feature may be closed during official team trainings (see event schedule)

5.2. Parking at the venue

Parking is allowed at the private carpark next to the feature until the **9th of August**.

Note: Some areas of the carpark are rented to different companies and cannot be used (marked in red). Usable areas are marked in green.

There is a number of parking spots on the main road (Am Innovationspark) available.

6) European Championship Events

Surface Boats

- MK1 Men's Kayak
- MK1J Men's Kayak Junior
- WK1 Women's Kayak
- WK1J Women's Kayak Junior
- MC1 Men's Canoe Decked
- WC1 Women's Decked Canoe

7) Training

7.1. Official Training

Official training will take place from Friday 24th to Monday 26th of August 2024.

There will be 1 training slot per day per nation. Exact timings will be determined after the numeric entries close. Additional open training opportunities will also be scheduled (which includes the 27th of August).

There will be no additional cost for paddling during Official Training or Competition times.

7.2. Unofficial Training

Should any athletes/teams wish to use Muglwave as a training base in the days, weeks or months prior to the European Championships, they are able to do so at all times **free of charge** (note that on rare occasions the course may be closed due to competitions or maintenance).

We ask that all athletes ensure that if travelling internationally they follow their government guidance and the Austrian guidelines.

We ask all athletes to adhere to the sites' rules. The area/parking lot around Muglwave is private property. We are allowed to use it but please treat it with respect, so we can keep it that way.

7.3. Water Safety

Athletes must follow the venue protocols when training. Water safety is the responsibility of individuals with the use of a buddy system by water users supporting each other. **Please make sure to wear your personal safety equipment while being on the water!**

During competition two qualified Water Rescue personnel will be supervise water side throughout the competition - one at the feature and one downstream of the feature. At all other times, paddlers are responsible for their own safety. We will not be held responsible or accept liability for any theft, damage or injury.

7.4. Water Levels

Water levels are expected to be constant throughout the year as well as during the competition. However, levels may change unexpectedly due to flooding of the main river or acute maintenance of small hydropower plants along the channel.

7.5. Water Quality

It is not advised to bathe in the Mur River.

8) Accommodation

8.1. Camping

- **Camping at venue (now – 9th of August):** If you want to come for a training camp, you can camp on the area next to the feature on river left **as well as river right** for free until further notice. There is also a mobile toilet.

You can stay in a tent or in your car. Please **don't park your car on the grassy area.** The parking lot is rented by a company, so make sure you leave space for the vehicles (which will park like in the picture in section 5.1). It is possible to park the car on the road next to the channel for free.

The area/parking lot around Muglwave is private property. We are allowed to use it but please treat it with respect, so we can keep it that way. Please respect the following rules:
